

Commonwealth Bank Enterprise Agreement Consultation 2010

Negotiations have concluded and we now need your feedback.

Negotiations have now reached a stage where a proposal including pay which the FSU believes is worthy of your consideration has been made. After months of negotiations it's time to have your say.

The proposal does not have everything you may be looking for but we believe it offers new up to date, secured entitlements and a good stepping stone in a one year agreement and creates a capacity for us to continue to improve on in a 2011 agreement. Please discuss the proposal with your colleagues and send your feedback to:

- **CBA** : ourworkplace@cba.com.au, and
- **FSU**: ebafeedback@fsunion.org.au
