Workforce Report

Accurate and user friendly information about employment trends in the Australian Finance Sector.

What's in the report?

The report uses previously published and unpublished data from the Australian Bureau of Statistics to provide a demographic picture of the Australian Finance Industry workforce, showing trends in:

- **Workforce size**
- **Age**
- **Location**
- **Education levels**
- **Gender**
- **Hours of work**
- **Status**
- **Wages**
- **Occupations**
- **Labour mobility**

Produced by the Finance Sector Union, the *Workforce Report* identifies trends in the finance sector over the last 5 years and beyond. Information is presented in tables, figures and summaries to enable easy understanding.

The *Finance Sector Workforce Report* is a must have resource for anyone who wants to better understand how the Australian Finance Industry is changing. It's an essential reference book for policy makers, academics, researchers, commentators, students, managers and human resource practitioners.
