

# BARGAINING BEGINS!

## Meet Our Bargaining Team

### Paul Ferrari

Manager, Internal Audit,  
800 Bourke St, VIC

"I'm a proud union rep and I'm committed to making sure that all of us are treated fairly during this bargaining process. We should all share in the successes, and benefit from what we deliver for NAB and our customers each and every day."

### Myrna Ellery

Customer Advisor,  
Gungahlin, ACT

"The bank has never given us something for nothing. Every workplace right we have ever won, has been hard fought for. My goal is to ensure we come out of this round of bargaining better than we went in. I'm fighting for all of us."

### Helen Cadzow

Consultant, Historical Services,  
700 Bourke St and Knox, VIC

"Respect, equality and fairness are what I believe in and what I stand for. My aim is to provide a strong voice on behalf of all of us to achieve the best possible outcome at the bargaining table."

### Rupi Sandhu

Team Member, Unsecured  
Assessment, 700 Bourke St, VIC

"I am honoured to represent all of us and our interests as NAB employees at bargaining. I am very passionate about ensuring that our value is recognised, that we are treated equally, and that the bargaining outcomes reflect this."

## All Hands on Deck!

**We'll be presenting our union's collective proposals to NAB management on Tuesday, 22 October.** NAB will also present their claims. Our aim is to defend and improve upon what's already in our current enterprise bargaining agreement. At this stage we have five bargaining meetings scheduled over the next two months, so we need all hands on deck as we'll need to consult with you and get feedback in tight timeframes.

**We need you to join us!** If you're not a union member, join us at [www.fsunion.org.au/join](http://www.fsunion.org.au/join)

If your team or department does not have a workplace union rep, send an email to: [nabmembers@fsunion.org.au](mailto:nabmembers@fsunion.org.au) so one can be put in place.
