

# NAB EBA2022

**In early May we will commence negotiations with NAB to secure your annual salary increase for this year and the years ahead as part of a new Enterprise Agreement.**

**Current arrangements have failed.**

**They do not provide any certainty or guarantee to Group 3 and above colleagues and have created a two tier split amongst Group 2 colleagues.**

**[Register for our wage claim workshop here](#)**

**With interest rates and cost of living pressures forecasted to continue rising over the months and years ahead, securing salary outcomes that keep ahead is critical to ensuring you are not worse off.**

**Join our wage claim workshops to discuss:**

- **The impacts of current cost of living pressures**
- **What our wage claim will be at the bargaining table**
- **How we will win real wage increases this year**

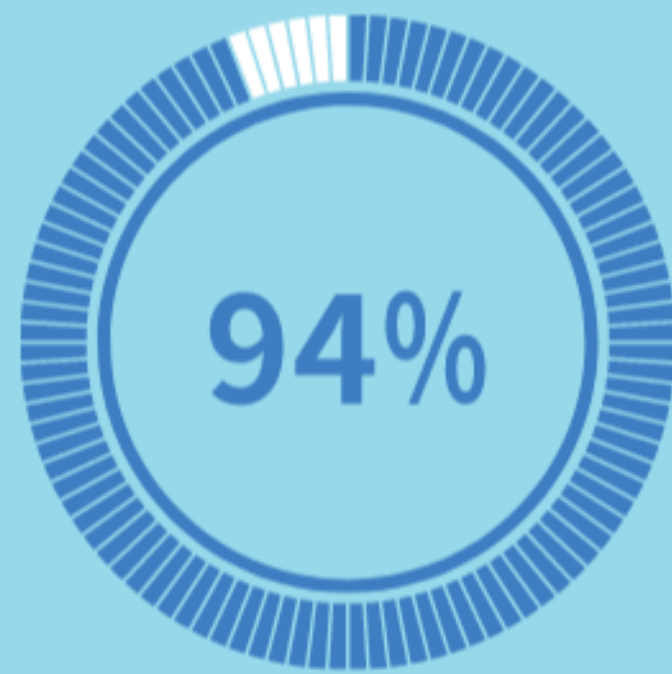

**Share this invite with your team: these sessions are open to all NAB colleagues.**

**Your FSU Negotiating Team**

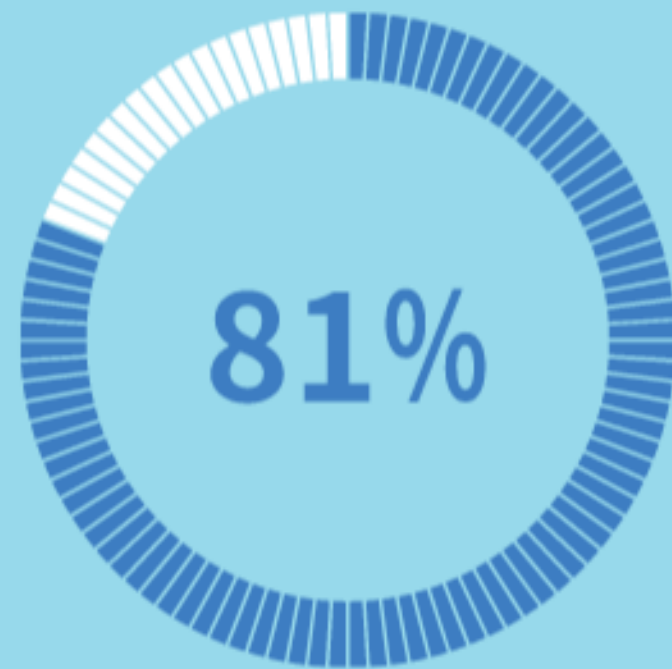

**P.S. If you're not yet a member, consider joining today. We are stronger together.**
