

Why we must  
**vote NO**

# WORKLOADS

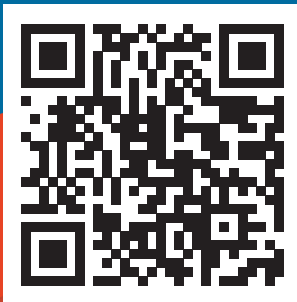

## What's wrong with NAB's proposal?

- NAB has **rejected our common-sense solutions** to solve **unreasonable workloads and hours of work**
- **Could have you working up to 50 hours per week**
- **Expands ordinary working hours** from 7am-9pm to 6am-10pm
- **No relief for Groups 4, 5, and 6 members** working the unreasonable hours demanded by NAB
- **NAB rejected our proposals for genuine flexibility and work from home arrangements**

**Commit to  
Vote NO for fair  
workloads**
