Dear Ms Angrisano

Re: Suspension of office attendance requirements

I refer to your letter of 23 March 2026, where the FSU requested for AMP Limited to "*immediately suspend any office attendance requirements*".

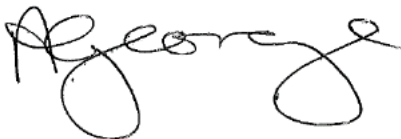

I appreciate that this is an uncertain time. However, AMP does not intend to change its office attendance requirements for all employees.

AMP employees are currently required to attend the office 2 days per week (3 days for leaders). Our offices are located at public transport hubs and the majority of our workforce travel to work by public transport.

We will, of course, discuss and consider any individual circumstances where employees are particularly impacted by current events. Our people are welcome to request additional flexible working arrangements, which will be considered on a case-by-case basis.

We do not believe a change to our ordinary attendance requirements for all our people is appropriate at this time.

Kind regards,

Alexis George
Chief Executive Officer
